

CHARTER HEALTH PLAN  
*A big idea for small business*

## Charter Health Plan Offers Routine Screening Mammograms with No Coinsurance Required!

The American Cancer Society has designated October as Breast Cancer Awareness Month. To promote screening and early detection of this disease, the Charter Health Plan is offering routine screening mammograms to all qualified members **for the next 12 months** (October 2009 through September 2010) with no co-insurance required! There will be no out-of-pocket expense to you and nothing will be deducted from your wellness benefit.

To qualify you must meet the following guidelines:

- Be 40 years of age or older at the time of the test
- Get tested at a date greater than 365 days since your last mammogram
- Have your mammogram performed at one of the following facilities:
